Train : Directions from railway station in Louvain-la-Neuve to Place cardinal Mercier. Walking = 5 mins from the train station

Car : Parking maps : <http://www.uclouvain.be/9913.html>

You should target the Parking « Grand Place » (this is also where the department is, there is an entrance on the Grand Place, next to the restaurant « Augustin »).

If you don't want to pay the parking you can use the parking along the « Boulevard de Lauzelle » (in pink color, left top side of the map).
